

Repartee

Ideal for Small to Mid-Size Enterprises

Repartee® delivers voicemail, automated attendant, unified messaging, hospitality features, and more that help small and mid-size enterprises deliver better customer service and improved communications. Designed to work with the applications you use every day, Repartee unified messaging integrates with Microsoft® Outlook®, Novell® GroupWise®, IBM® Lotus® Notes, and IMAP e-mail accounts. Repartee is available in two versions: Repartee LX and Repartee for Windows.

Highlighted Features

- Voicemail
- Automated Attendant
- Unified Messaging
- Message Notification
- Speech (Repartee for Windows only)
- Text-to-Speech: Listen to E-Mail Messages over the Phone
- Hotel Applications for Guest Services such as Voice Messaging and Wake-Up Calls
- Networking: Link Multiple Repartee Systems into a Single Network
- Fax: Preview, Print or Redirect Fax Messages from the Privacy of your Desktop
- Multiple Languages Supported

System Capacity
